Fabric Placement

Windmill, Carrie Hall block as seen in *Carrie Hall Blocks* by Bettina Havig. 1999. For more information on this block see *The Quilters' Album of Patchwork Patterns* by Jinny Beyer, published by Breckling Press, September, 2009.

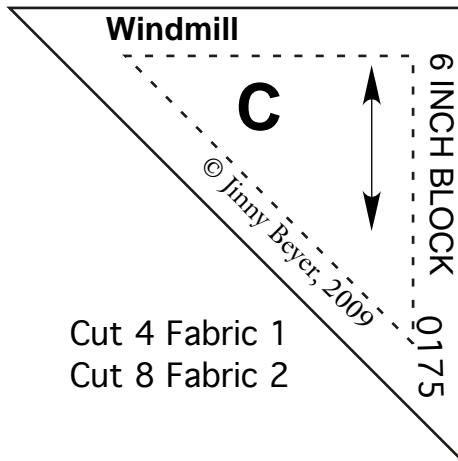

The fabrics used in this block are from the Jinny Beyer Palette Fabric Collection and other Jinny Beyer prints. Exact duplication of the block will depend on the availability of the prints. The design of the pattern shown here is a 10" block. Different fabric placement will occur when making the block in one of the other two sizes.
