Template Guide

Fabric Placement

Ladies' Art Catalog, 1898 - The original pattern has a single square in the center of the block. In order to accommodate the use of a border print, that square has been divided into four triangles for this pattern.

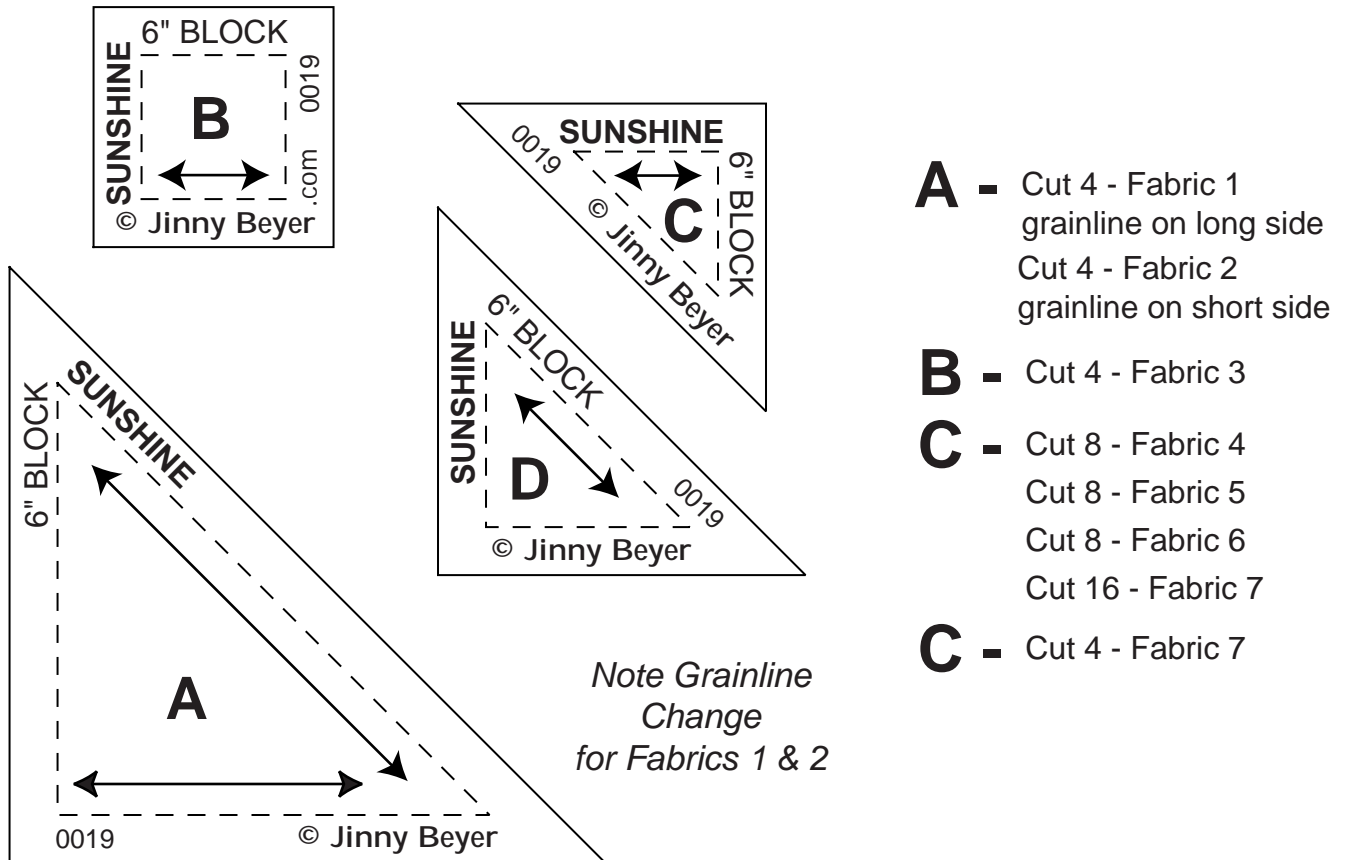

The fabrics used in this block are from the Jinny Beyer Palette Fabric Collection and other Jinny Beyer prints. Exact duplication of the block will depend on the availability of the prints. The design of the pattern shown here is a 10" block. Different fabric placement will occur when making the block in one of the other two sizes.
