## Kyoto - 2018 Mystery Quilt - Clue 5

The foundations in this clue are reversed from (or are mirror images of) those in Clue 3; the method of construction is exactly the same.

### Step 1: Copy & Make the Reversed Foundations

#### *Foundation-Piecing Method Only*

To make full-sized foundations, make six copies of page 17 and one copy of page 18. Tape the corners to the main foundation section at the *Match A - rev* and *Match B - rev* dashed lines, making a total of six reversed foundations.

#### *Hand-Piecing Method Only*

The templates created in Clue 3 can also be used here.

### Step 2: Cut Fabrics 1-7

#### *Foundation-Piecing Method Only*

**Fabric 1.** Cut six triangles using Template F1.

**Fabric 2.** From the remaining strips, cut 18 pieces measuring 4".

**Fabric 3.** From the remaining strips, cut 18 pieces measuring 4¾".

**Fabric 4.** From the remaining strips, cut 18 pieces measuring 2".

**Fabric 5.** From the remaining strips, cut 18 pieces measuring 7".

**Fabric 6.** From the remaining strips, cut 18 pieces measuring 9".

**Fabric 7.** From the remaining strips, cut 12 pieces measuring 11½".

#### *Hand-Piecing Method Only*

To cut reversed pieces, flip the template marked side down on the fabric.

**Fabric 1.** Cut six using Template F1.

**Fabric 2.** Cut 18 reversed pieces using Template F2.

**Fabric 3.** Cut 18 reversed pieces using Template F3.

**Fabric 4.** Cut 18 reversed pieces using Template F4.

**Fabric 5.** Cut 18 reversed pieces using Template F5.

**Fabric 6.** Cut 18 reversed pieces using Template F6.

**Fabric 7.** Cut 12 reversed pieces using Template C/Cr.

### Step 3: Make the Foundation Units

#### *Hand-Piecing Method Only*

Follow the instructions in the video to make six reversed "foundation" units.

#### *Foundation Piecing Method Only*

Following the instructions in Clue 3 to make a reversed foundation. Repeat to make a total of six reversed foundation units.

#### **Video Lesson**

*Jinny demonstrates the sewing techniques from this month's clue at:*

Match A - Rev

# Reversed Foundation

Make six copies.

Match B - Rev

### Printing Size Check

This box should measure 2 inches square.

If the box does not measure 2", your templates/foundations will not be the correct size.

If you are printing at home, be sure your printer is set to print at 100% with "no scaling".

# Part of Reversed Foundation.

Make one copy.
